

Coronavirus Update

In this difficult time, the health and safety of our customers, employees and community is our top priority. We are closely monitoring the local coronavirus (COVID-19) situation and have a plan in place to ensure that we are ready to respond as circumstances dictate.

Our branches are open and following the CDC disease prevention guidelines. We are regularly disinfecting high touch surfaces and have instructed any employees who are sick to stay home.

In addition, you can use our convenient drive-up, online, mobile and phone banking options to conduct your banking transactions.
